

particles

Dear Colleagues,

On behalf of the Evaluation Committee, we are pleased to announce the winner of the *Particles* 2020 Travel Award: an outstanding postdoctoral fellow, **Dr. Barbara Patricelli**.

Dr. Barbara Patricelli is a post-doctoral fellow at the University of Pisa, Italy. Her research is related to the astrophysics of binary systems of compact objects, multi-messenger (GWs and photons) observations and analysis, high-energy and very-high-energy emissions from gamma-ray bursts, and multi-frequency observations of blazars. She will attend the IAU Symposium 363–Neutron Star Astrophysics at the Crossroads: Magnetars and the Multimessenger Revolution, held on 13–18 June 2021, L'Aquila, Italy.

PARTICLES 2020 TRAVEL AWARD WINNER

She will be awarded **500 Swiss Francs** towards her travel expenses to attend the conference. We congratulate the winner for her accomplishments.

We would like to thank all the applicants for their participation with high-quality submissions and the Evaluation Committee members for reviewing the numerous applications received.
