

Special Issue

Feature Papers for *Particles* 2023

Message from the Guest Editor

I am delighted to announce this Special Issue on “*Feature Papers for Particles 2023*”, which aims to collect contributions from leading scholars/scientific groups in the fields of particle physics, nuclear physics, particle astrophysics, and heavy-ion physics. The aim is to publish a dozen important, high-level contributions for the benefit of the community of readers of our journal. Submission is either by invitation of an editor of *Particles* or via a short proposal which should be sent to the journal Editorial Office (particles@mdpi.com) before submission. The papers selected for this Special Issue will still be subject to the standard peer-review process.

Guest Editor

Prof. Dr. Armen Sedrakian

1. Frankfurt Institute for Advanced Studies (FIAS), D-60438 Frankfurt am Main, Germany
2. Institute of Theoretical Physics, University of Wrocław, 50-204 Wrocław, Poland

Deadline for manuscript submissions

closed (20 June 2024)

Author Benefits

High Visibility:

indexed within Scopus, ESCI (Web of Science), Inspec, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Astronomy and Astrophysics) / CiteScore - Q2 (Nuclear and High Energy Physics)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 23.8 days after submission; acceptance to publication is undertaken in 4.7 days (median values for papers published in this journal in the first half of 2025).
