2023 BEST PHD THESIS AWARD

Dear Colleagues,

The journal *Pharmaceuticals* is inviting applications for the *Pharmaceuticals* 2023 Best PhD Thesis Award. This prize will be awarded to a PhD student or doctor who has produced a highly anticipated academic potential thesis. The applications will be assessed by an evaluation committee led by Editor-in-Chief, Dr. Jean Jacques Vanden Eynde.

Eligibility Requirements:

– The candidate must be a PhD student or a doctor who has produced a highly anticipated academic potential thesis;
– The PhD thesis must be their original work;
– The PhD thesis must be defended between 1 July 2022 and 30 June 2023;
– Applicants are required to submit the following documents:
    1. An executive summary of the PhD thesis in English of around 3000 words;
    2. A letter from the PhD supervisor recommending the candidate for consideration for this award;
    3. The candidate's CV, including a list of publications connected with the thesis;
    4. An electronic copy of the PhD thesis;
    5. A scanned copy of the PhD diploma (or certificate of studying at a school or research institute as a PhD student going to graduate or participate in graduation thesis defenses).

Selection Criteria:

– Quality of resume and publications;
– Relevance of the candidate and research description;
– Novelty of the candidate's PhD thesis;
– Strength of the recommendation letter;
– Anticipated academic potential;
– Originality and impact of the research.

Prizes:

– Bonus (CHF 500);
– Certificate;
– Offer to publish a featured paper in *Pharmaceuticals* with the article processing charge (APC) waived before the end of 2024.

The application deadline is 1 July 2023. The winner will be announced on the *Pharmaceuticals* website by the end of September 2023.
