Antibiotic Resistance in Gram-Negative Bacteria: The Threat from the Pink Corner

Guest Editors:

Dr. Bruno Silvester Lopes

School of Health and Life Sciences, Teesside University, Middlesbrough TS1 3BX, UK

Dr. Alfizah Hanafiah

Dept. of Medical Microbiology & Immunology, Faculty of Medicine, Universiti Kebangsaan Malaysia, Cheras, Kuala Lumpur 56000, Malaysia

Deadline for manuscript submissions:

closed (31 October 2023)

Message from the Guest Editors

Dear Colleagues,

This issue will cover antibiotic resistance mechanisms and advances in modern medicine from faecal microbiota transplant to the development of novel drug therapies targeting hospital-acquired as well as foodborne Gramnegative pathogens. Original articles and reviews are particularly welcome in this field which relate to Gramnegative bacteria in the ESKAPE group as well as WHO critical and high priority pathogens.

Prof. Dr. Amélia Pilar Rauter

Departamento de Química e Bioquímica (DQB) e Centro de Química Estrutural (CQE), Institute of Molecular Sciences, Faculdade de Ciências, Universidade de Lisboa, Lisboa, Portugal

Message from the Editor-in-Chief

Because of your expertise in the field of drug sciences, I kindly invite you to consider publishing your current work, in the form of a research article or a review, in the open access electronic journal *Pharmaceuticals*.

Pharmaceuticals is characterized by an active editorial board and a dynamic editorial staff. Manuscripts are peer-reviewed and a final decision is provided to authors within 4–6 weeks after submission. Papers are published on the web immediately after acceptance. For details on the submission process or any other matter, please do not hesitate to contact us.

We hope to handle your contribution to *Pharmaceuticals* soon.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q1 (Pharmacology and Pharmacy) / CiteScore - Q1 (Pharmaceutical Science)
