Message from the Guest Editor

Dear Colleagues,

We invite authors to submit papers to Pharmaceuticals in the exciting field of Aptamer research. This special issue is to include original papers and review articles on basic or clinical research on aptamers, including aptamer selection methodologies, aptamer conjugates, aptamer nanoparticles, spiegelmers, peptide aptamers, locked aptamers and different aptamer applications, including applications in diagnostics, imaging, therapy, sensors or other technology development, aptamer pharmacology, biomarker discovery or clinical applications.

Message from the Editor-in-Chief

Because of your expertise in the field of drug sciences, I kindly invite you to consider publishing your current work, in the form of a research article or a review, in the open access electronic journal *Pharmaceuticals*.

Pharmaceuticals is characterized by an active editorial board and a dynamic editorial staff. Manuscripts are peer-reviewed and a final decision is provided to authors within 4–6 weeks after submission. Papers are published on the web immediately after acceptance. For details on the submission process or any other matter, please do not hesitate to contact us.

We hope to handle your contribution to *Pharmaceuticals* soon.
