### Message from the Guest Editors

Dear Colleagues,

For the first time in Portugal, the competences of two important fields of Chemistry, Organic Chemistry and Medicinal Chemistry, were brought together into a joint meeting in 2015 under the auspices of Portuguese Chemical Society (SPQ). Selected papers are welcome to highlight the different research fields presented. *Pharmaceuticals* now invites valuable contributions that report original observations or reviews.

For more information about this meeting, please refer to:
