Editorial Board Members' Collection Series: Nanoparticles & Nanoparticles-Based Drug Targeting

Message from the Guest Editors

We are pleased to announce this Special Issue entitled "Editorial Board Members' Collection Series: Nanoparticles, & Nanoparticles-Based Drug Targeting". This Special Issue will be a collection of papers by researchers invited by the Editorial Board Members. The aim is to provide a venue for networking and communication between *Pharmaceuticals* and scholars in the field of nanoparticles and nanoparticles-based drug targeting. All papers will be fully open access upon publication after peer review.

About the Journal

Message from the Editor-in-Chief

Because of your expertise in the field of drug sciences, I kindly invite you to consider publishing your current work, in the form of a research article or a review, in the open access electronic journal *Pharmaceuticals*. *Pharmaceuticals* is characterized by an active editorial board and a dynamic editorial staff. Manuscripts are peer-reviewed and a final decision is provided to authors within 4–6 weeks after submission. Papers are published on the web immediately after acceptance. For details on the submission process or any other matter, please do not hesitate to contact us. We hope to handle your contribution to *Pharmaceuticals* soon.

Editor-in-Chief
