Anaesthetics

Message from the Guest Editors

The journal “Pharmaceuticals” is planning to publish a special issue covering the topic “Anaesthetics” and I am cordially inviting you to contribute an article to this volume. Anaesthesia encompasses a very wide range of topics related to preoperative and operative care, cardiorespiratory medicine and physiology, as well as cellular and molecular mechanisms. It also now extends to organisational aspects of theatres, staffing and hospitals. We welcome articles in all of these fields for this special issue
