Choices of the Journal

Message from the Guest Editors

The attention of our Editorial Board Members and is often attracted to exciting works covering their research interests, promising fields involved in drug discovery and development, as well as other hot and favorite scientific topics. To express that enthusiasm, Editorial Board Members invited leading investigators and asked them to share their knowledge with the readers of our journal *Pharmaceuticals*. Articles and reviews gathered in this Special Issue, thus, have the ambition to provide updated information on recent and outstanding findings. We hope that you will enjoy reading them.
