

## Special Issue

# Selected papers from the 11th National Meeting of Organic Chemistry and 4th Meeting of Therapeutic Chemistry in Portugal

### Message from the Guest Editors

For the first time in Portugal, the competences of two important fields of Chemistry, Organic Chemistry and Medicinal Chemistry, were brought together into a joint meeting in 2015 under the auspices of Portuguese Chemical Society (SPQ). Selected papers are welcome to highlight the different research fields presented.

*Pharmaceuticals* now invites valuable contributions that report original observations or reviews. For more information about this meeting, please refer to:

## About the Journal

### Message from the Editor-in-Chief

Because of your expertise in the field of drug sciences, I kindly invite you to consider publishing your current work, in the form of a research article or a review, in the open access electronic journal *Pharmaceuticals*. *Pharmaceuticals* is characterized by an active editorial board and a dynamic editorial staff. Manuscripts are peer-reviewed and a final decision is provided to authors within 4–6 weeks after submission. Papers are published on the web immediately after acceptance. For details on the submission process or any other matter, please do not hesitate to contact us. We hope to handle your contribution to *Pharmaceuticals* soon.
