Dear Colleagues,

As the Editor-in-Chief of *Pharmaceutics*, it is my great pleasure to announce the winner of the *Pharmaceutics* 2022 Best PhD Thesis Award. This award is for a PhD student or a recently qualified PhD who has produced a highly anticipated thesis with great academic potential.

2022 BEST PHD THESIS AWARD
WINNER

The award has been granted to the following thesis:

"Intravitreal liposomes as ocular drug delivery systems: vitreal interactions, retinal permeation and drug release characteristics", by Shirin Tavakoli, University of Helsinki, Finland.

The winner will receive CHF 800, a certificate, and a chance to publish a paper free of charge after peer review in *Pharmaceutics* in 2023.

On behalf of the Evaluation Committee, I congratulate the winner on her accomplishments. We would like to take this opportunity to thank all of the applicants for submitting their exceptional theses, and to thank the Award Committee for voting and helping with this award.
