

2023 OUTSTANDING REVIEWER AWARD WINNERS

Dear Colleagues,

We are pleased to announce the winners of the *Pharmaceutics* 2023 Outstanding Reviewer Award. The *Pharmaceutics* Editorial Board and Editorial Team would like to gratefully acknowledge the time and energy dedicated by reviewers in checking the manuscripts submitted to *Pharmaceutics*. It is due to their efforts that the high quality of the journal and quick turnaround are maintained.

Dr. Peter O'Connell

Panoz Institute, Dublin, Ireland

Research Interests: amorphous solid dispersions; accelerated predictive stability; pulmonary drug delivery; analytical chemistry; phytochemistry; validation; natural product chemistry; extraction of bioactives

Dr. An Duong

The University of Texas Health Science Center at Houston, Houston, USA

Research Interests: drug delivery; lipid nanoparticles; bioavailability; dsc; FTIR; dissolution; solubility; HPLC; separation; pharmaceutical analysis; lc-ms; proteomics; proteome

Dr. Marko Krstić

University of Belgrade, Belgrade, Serbia

Research Interests: solid dispersion; self-emulsificans drug delivery systems; extraction; oral drug delivery; topical drug delivery

Dr. Junjie Li

Kyushu University, Fukuoka, Japan

Research Interests: block copolymer; self-assembly; drug delivery system; tumor microenvironment-responsive; polymeric vesicle; polymeric micelle; gene therapy; nano-bio interfaces; nanomedicine; biomaterials; blood-brain barrier

The Prize for Each Winner:

- CHF 500;
- A certificate.
