

Special Issue

Innovations in Controlled Release Formulations

Message from the Guest Editor

We cordially invite all global scientists to submit their research papers on the topic of "Innovations in Controlled Release Formulations" for publication in our upcoming Special Issue. The aim of this Special Issue is to highlight the latest advances, research, and developments in the field of controlled release formulations for pharmaceuticals, nutraceuticals, and functional foods. We welcome papers that cover various aspects of controlled release systems, including, but not limited to, design, development, characterization, in vitro as well as in vivo evaluation, and commercial applications. Your contribution will provide a valuable addition to the existing knowledge and help advance the field of controlled release formulations. We look forward to receiving your submissions and publishing your research.

About the Journal

Message from the Editor-in-Chief

Pharmaceutics (ISSN 1999-4923) is an online open access journal on the science and technology of pharmaceutics and biopharmaceutics. The scientific community, the wider community and the general public have unlimited and free access to the content as soon as a paper is published; this open access to your research ensures your findings are shared with the widest possible audience. Please consider publishing your impressive work in this high quality journal. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Patrick J. Sinko
Department of Pharmaceutics, Ernest Mario School of Pharmacy,
Rutgers University, Piscataway, NJ 08854, USA

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Pharmacology and Pharmacy) / CiteScore - Q1
(Pharmaceutical Science)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 14.9 days after submission; acceptance to publication is undertaken in 3.3 days (median values for papers published in this journal in the first half of 2025).
