

Special Issue

Functional Polymers for Drug and Gene Delivery

Message from the Guest Editors

In this Special Issue we aim to highlight recent advances in drug and gene delivery using functional polymers. We welcome researchers to contribute original research and review articles highlighting the latest functional polymer platforms for drug/gene delivery.

About the Journal

Message from the Editor-in-Chief

Pharmaceutics (ISSN 1999-4923) is an online open access journal on the science and technology of pharmaceuticals and biopharmaceuticals. The scientific community, the wider community and the general public have unlimited and free access to the content as soon as a paper is published; this open access to your research ensures your findings are shared with the widest possible audience. Please consider publishing your impressive work in this high quality journal. We would be pleased to welcome you as one of our authors.

Editor-in-Chief
