

## Topical Collection

# Pharmaceutical Sciences in Canada

### Message from the Collection Editors

Canada continues to have a rich history and significant impact on the Pharmaceutical Sciences, particularly during the current COVID-19 pandemic. This topical collection will highlight the pharmaceutical sciences research currently ongoing in Canada, both within academic and industrial institutions, in areas including but not limited to drug discovery and development, drug delivery, drug repurposing, pharmacokinetics, drug metabolism and drug transport, pharmacogenomics and personalized medicine, pharmacy practice research, pharmacoepidemiology, and pharmaceutical natural products.
