Deadline for manuscript submissions:
closed (30 November 2020)

Message from the Guest Editor

For the special issue on "Medication Experiences" we seek a full breadth of manuscripts including, but not limited to the following topics: (1) individuals' subjective lived experience of taking medications in their daily lives, (2) symbolism that medications hold for people, (3) meanings of medications for people (4) positive or negative bodily effects people experience from medications, (5) dealing with the unremitting nature of chronic medication use, (6) exerting control over their medications, (7) medications as a life saviour or a life burden, (8) beliefs, information processing and decision making about medications, (9) helpful service designs for using medications, and (10) patient-reported outcomes regarding medications. We seek manuscripts of all types including: (1) reviews, (2) commentaries, (3) idea papers, (4) case studies, (5) demonstration studies, and (6) research studies.

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Pharmacy* (ISSN 2226-4787). *Pharmacy*, an international scientific open access journal on pharmacy education and practice, is published by MDPI online quarterly. *Pharmacy* is published in open access format-research articles, reviews and other contents are released on the Internet immediately after acceptance.

The scientific community and the general publichave unlimited and free access to the content as soon as it is published.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.
High Visibility: indexed within ESCI (Web of Science), PubMed, PMC, Embase, and other databases.
Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 23.9 days after submission; acceptance to publication is undertaken in 3 days (median values for papers published in this journal in the first half of 2025).
