Consumers' and Caregivers' Perceptions of Pharmacist Services

Guest Editors:

Dr. Stephen Carter

School of Pharmacy, University of Sydney, Sydney, Australia

Dr. Rebekah Moles

School of Pharmacy, University of Sydney, Sydney, Australia

Message from the Guest Editors

Family caregivers support some of the most vulnerable members of our society. Including the perspectives of family caregivers in the design, implementation and evaluation of pharmacy and medication-related health services is a necessary but sometimes overlooked consideration. Family caregivers need to be informed of the many opportunities available to them in regard to medicines safety initiatives and they should be empowered to seek help and negotiate often complex care pathways.

Deadline for manuscript submissions:

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Pharmacy* (ISSN 2226-4787). *Pharmacy*, an international scientific open access journal on pharmacy education and practice, is published by MDPI online quarterly. *Pharmacy* is published in open access format—research articles, reviews and other contents are released on the Internet immediately after acceptance.

The scientific community and the general public have unlimited and free access to the content as soon as it is published.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within ESCI (Web of Science), PubMed, PMC, Embase, and other databases.

Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 22.9 days after submission; acceptance to publication is undertaken in 3.7 days (median values for papers published in this journal in the first half of 2024).
