Dr. Efi Mantzourani
Cardiff School of Pharmacy and Pharmaceutical Sciences, Cardiff University, Cardiff CF10 3NB, Wales, UK

Deadline for manuscript submissions:
closed (30 September 2020)

Message from the Guest Editors

Reflective practice has been at the forefront of the literature since the 1900s. Originally utilized by professionals in healthcare education within their silos, the literature posits that engaging in reflective activities may enhance future practice by drawing on one's previous experiences, viewing different perspectives, and challenging one's own firmly held beliefs and assumptions in order to make better informed decisions and judgements.

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Pharmacy* (ISSN 2226-4787). *Pharmacy*, an international scientific open access journal on pharmacy education and practice, is published by MDPI online quarterly. *Pharmacy* is published in open access format-research articles, reviews and other contents are released on the Internet immediately after acceptance.

The scientific community and the general publichave unlimited and free access to the content as soon as it is published.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within ESCI (Web of Science), PubMed, PMC, Embase, and other databases.

Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 22.9 days after submission; acceptance to publication is undertaken in 3.7 days (median values for papers published in this journal in the first half of 2024).
