

Special Issue

Pharmacy-based Immunization Services

Message from the Guest Editors

We invite you to submit a manuscript to the “Pharmacy-Based Immunization Services” Special Issue in the journal *Pharmacy*—an open-access journal with a focus on pharmacy education and practice. For the Special Issue on “Pharmacy-Based Immunization Services”, we seek a full breadth of manuscripts including, but not limited to, the following topics: (1) innovations in site or process for vaccine delivery, (2) social/behavioral aspects of people vaccinated by pharmacist, (3) Immunization Information System (registries) and pharmacy, (4) health economics outcomes related to pharmacy-based immunization, (5) clinical outcomes of pharmacy-based immunization services, (6) health education and health promotion program related to pharmacy-based immunization, and (7) using immunization services to link patients to other comprehensive care. We seek manuscripts of all types including (1) reviews, (2) commentaries, (3) idea papers, (4) case studies, (5) demonstration studies, and (6) research studies.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Pharmacy* (ISSN 2226-4787). *Pharmacy*, an international scientific open access journal on pharmacy education and practice, is published by MDPI online quarterly. *Pharmacy* is published in open access format—research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the general public have unlimited and free access to the content as soon as it is published.

Editor-in-Chief

Prof. Dr. David J. Wright

School of Healthcare, University of Leicester, Leicester LE1 7RH, UK

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within ESCI (Web of Science), PubMed, PMC, Embase, and other databases.

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 23.9 days after submission; acceptance to publication is undertaken in 3 days (median values for papers published in this journal in the first half of 2025).
