Special Issue

Photonics: 10th Anniversary

Message from the Guest Editors

Photonics is an international, scientific, peer-reviewed, open access journal on the science and technology of optics and photonics, published monthly online by MDPI. Since the release of its inaugural issue as a quarterly journal in 2014, *Photonics* has undergone a remarkable journey.

(https://www.mdpi.com/journal/photonics/history). The year 2024 will mark the 10th-anniversary volume of *Photonics*, and we wish to mark this significant milestone by publishing a commemorative Special Issue entitled "*Photonics*: 10th Anniversary". This Special Issue will be a collection of high-quality reviews and original research articles within the field of optics and photonics

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Photonics* (ISSN 2304-6732). *Photonics* is an online open access journal covering both the fundamental and applications of optics and photonics. *Photonics* strives to provide an avenue to allow authors to disseminate their scientific findings—both theoretical/ simulations and experimental works—in highly accessible peerreviewed journal publications. The manuscript in *Photonics* will be handled with quick turnaround production processing time. We welcome authors to submit their manuscripts for publications in *Photonics*. Our goal in *Photonics* is to enable fast dissemination of high impact works to the scientific community.
