

# Special Issue

## Spectroscopic Imaging

### Message from the Guest Editors

We cordially invite you to publish your work in the Special Issue on spectroscopic imaging of *Photonics*. Advanced imaging technology on the basis of molecular vibrational spectroscopy has been increasingly thriving in recent years. Thus, the new Special Issue will have a special focus on the broad variety of spectroscopy and imaging techniques and applications, in the form of original research articles, letters, and reviews. *Photonics* is an international, scientific, peer-reviewed, open access journal on the science and technology of optics and photonics, published monthly online by MDPI. For more information, please check at the official [MDPI webpage](https://www.mdpi.com/journal/photonics). We look forward to your submissions to this new and exciting Special Issue!

## About the Journal

### Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Photonics* (ISSN 2304-6732). *Photonics* is an online open access journal covering both the fundamental and applications of optics and photonics. *Photonics* strives to provide an avenue to allow authors to disseminate their scientific findings—both theoretical/ simulations and experimental works—in highly accessible peer-reviewed journal publications. The manuscript in *Photonics* will be handled with quick turnaround production processing time. We welcome authors to submit their manuscripts for publications in *Photonics*. Our goal in *Photonics* is to enable fast dissemination of high impact works to the scientific community.

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), Inspec, Ei Compendex, CAPlus / SciFinder, and other databases.

#### Journal Rank:

CiteScore - Q2 (Instrumentation)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 14.8 days after submission; acceptance to publication is undertaken in 1.9 days (median values for papers published in this journal in the first half of 2025).
