Message from the Collection Editor

Dear Colleagues,

We are pleased to announce a new Special Issue entitled “Feature Papers in *Phycology*”. This is an important collection of high-quality reviews and original papers that cover recent advances in our understanding of algae. Only contributions from the Editorial Board and papers from distinguished scholars in the field invited by Editorial Board Members, Guest Editors, or the Editorial Office will be accepted in this Special Issue. Researchers are welcome to contact the Editorial Office to be invited.
