

*polymers*

Dear Colleagues,

We are pleased to announce the availability of *Polymers* 2022 Young Investigator Award for one young researcher conducting research in the field of polymer research and who plan to attend the conference Polymers 2022: New Trends in Polymer Science: Health of the Planet, Health of the People (<https://polymers2022.sciforum.net/>).

**Candidate Requirements:**

- Ground-breaking contribution to the advancement of the field.
- The candidates should not be older than 35 (by 31 December 2020).

**Required Application Documents:**

- Curriculum Vitae and a list of publications.
- Nomination letter from two established scientists in the field.

## 2022 YOUNG INVESTIGATOR AWARD

The award consists of 2500 Swiss Francs, a plaque, a waiver of the registration fees of the next *Polymers* conference in 2022, and a plenary presentation at the next conference. There will be a special session at the *Polymers* 2022 conference for the Young Investigator Award, at which point the selected candidates are requested to give a presentation of their research. Evaluation committees will attend the special session and decide which one will be granted the award.

The applications should be submitted online, before 10 December 2021, through the button above. The selected candidates to give presentations at the Young Investigator Award session for *Polymers* 2022 will be announced by the end of March 2022.
