Advances in Fiber Materials and Manufacturing

Message from the Guest Editors

We aim to present the most recent developments in “Advances in Fiber Materials and Manufacturing”. We welcome contributions dealing with related research fields for textile fiber materials and processing technologies, especially for the presentation of scientific results that introduce new concepts, innovative technologies, and improved understanding of textile fiber materials, chemistry, processes, and systems.

About the Journal

Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 4.9.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief
