Feature Papers in Polymer Science and Technology

Message from the Guest Editors

The open access journal **Polymers** (ISSN 2073-4360, IF 4.7, Q1) is pleased to announce a new Special Issue entitled "Feature Papers in Polymer Science and Technology". We appreciate your great support and would like to invite you to contribute a research or review article to this issue with a **20% discount** on the total article processing charges 2700 CHF. You may be entitled to an additional discount if your institution is part of our IOAP program

(<https://www.mdpi.com/about/ioap>). The submission deadline is **31 July 2025** and manuscripts may be submitted immediately or at any point until 31 July 2025, as papers will be published on an ongoing basis if accepted for publication following peer review. For more information on this Special Issue and submission guidelines, please visit the following page:

About the Journal

Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 4.7.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Alexander Böker
