

Special Issue

Polymer Structure and Property II

Message from the Guest Editors

To build on the success of the Special Issue in *Polymers*, "Polymer Structure and Property",

https://www.mdpi.com/journal/polymers/special_issues/Struct_Prop, and to provide a continuity of this popular topic, we are pleased to open the second volume of this Special Issue. The aim of this Special Issue is to collect research and review papers in order to understand the state of the art as well as to obtain insight into the possible correlations between the structure and the property of polymers. All relevant contributions to this Special Issue are welcome.

About the Journal

Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 4.7.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Alexander Böker

Lehrstuhl für Polymermaterialien und Polymertechnologie, University of Potsdam, 14476 Potsdam-Golm, Germany

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), Ei Compendex, PubMed, PMC, FSTA, CAPlus / SciFinder, Inspec, and other databases.

Journal Rank:

JCR - Q1 (Polymer Science) / CiteScore - Q1 (General Chemistry)
