Selected Papers from The 7th International Conference on FRP Composites in Civil Engineering (CICE 2014)

Message from the Guest Editor

The organisers of CICE 2014 (The 7th International Conference on FRP Composites in Civil Engineering) are supporting a Special Issue of the Polymers Journal dedicated to the CICE 2014 conference. Selective papers were recommended through the CICE review process by the International Scientific Committee of the Conference to be expanded for a possible publication in this Special Issue. Authors been invited to submit their paper by July 1, 2015. All submissions to this special issue will receive a complete peer-review according to the journal guidelines; the invitation does not guarantee acceptance. In order to meet our deadline of December 1, 2015, please note that the *last date for initial paper submission is 1 July 2015, after which the submission site will be closed.*, PhD, FIIFC, PEng

About the Journal

Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 4.9.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief
