## Selected Papers from the 16th European Meeting on Fire Retardant Polymeric Materials

## Message from the Guest Editors

This Special Issue of Polymers is devoted to the "16th European Meeting on Fire Retardant Polymeric Materials", hosted by The University of Bolton and University of Central Lancashire (UCLan). This Issue will include papers reporting the most recent advances on fire retardancy of polymers and composite materials. As the , we would like to invite you to submit your unpublished and original research relevant to this topic. Please note that there will be a 50% reduction on the Article Processing Charge (APC) for this Special issue (i.e., 700 CHF—Swiss Francs).

## **About the Journal**

## Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 4.9.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.
