

Special Issue

Feature Papers in Polymer Applications

Message from the Guest Editors

This Special Issue of the *Polymers* aims to collect original research papers and reviews on the topic of polymer applications. All kinds of polymers, either conventional engineering polymers or newly developed ones, from thermoset and thermoplastic to vitrimer, will be considered. Any applications, from traditional to advanced, will be covered.

About the Journal

Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 4.7.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief
