

processes

Dear Colleagues,

We are pleased to announce that *Processes* will be awarding the 2022 Travel Awards to two junior scientists. The applications will be assessed by the Evaluation Committee consisting of senior scholars from the *Processes* Editorial Board.

This award will provide financial support for the winners to attend an international conference on chemistry, biochemistry, biology, materials, or related process/systems engineering research fields to be held in 2022, in order to hold a presentation, present a poster, or both.

2022 TRAVEL AWARDS

Candidate Requirements:

- Postdoctoral fellow or PhD student;
- Plan to attend an international conference in 2022 (oral presentation or poster).

Required Application Documents:

- Information of the conference the applicant is planning to attend and the abstract that will be submitted;
- Curriculum vitae and list of publications;
- Justification letter describing the focus of the research (max. 800 words);
- Letter of recommendation from a supervisor, research director, or department head, which also confirms the applicant's status as a postdoctoral fellow/PhD student.

The winners (two awardees) will each be awarded 800 CHF and a certificate.

Please submit your applications for the *Processes* 2022 Travel Awards online by 31 March 2022. Prizes will be awarded at the end of May 2022 and announced on the *Processes* website.

Kind regards,
Processes Editorial Office
