

Special Issue

Processes in 2025

Message from the Guest Editor

We are pleased to announce this Special Issue, titled “*Processes* in 2025”, which is part of the MDPI journal New Year Special Issue Series. This Special Issue will be a collection of high-quality reviews and original research articles from Advisory Board Members, Editors-in-Chief, Editorial Board Members, , Topical Advisory Panel Members, Reviewer Board Members, Societies, Authors, and Reviewers. This Special Issue will collect papers on innovative ideas from process/system-related research in chemistry, biology, material, energy, environment, food, pharmaceutical, manufacturing, automation control, catalysis, separation, and particle and similar engineering fields. We encourage all research groups to contribute up-to-date work on the latest developments in your areas of expertise. We look forward to receiving your submissions.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute either a research article or a comprehensive review for consideration and publication in *Processes* (ISSN 2227-9717). *Processes* is published in open access format – research articles, reviews, and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited, free access to the content. As an open access journal, *Processes* is supported by the authors and their institutes through the payment of article processing charges (APCs) for accepted papers. We would be pleased to welcome you as one of our authors.
