

Special Issue

Innovations in Condition Monitoring, Optimization and Advanced Control for Complex Industrial Processes

Message from the Guest Editors

This Special Issue aims to provide a platform for discussion, an exchange of ideas and experiences, and the presentation of solutions for scientists and engineers dealing with industrial processes in the broadest sense, with special emphasis on condition monitoring, control, and optimisation.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute either a research article or a comprehensive review for consideration and publication in *Processes* (ISSN 2227-9717). *Processes* is published in open access format – research articles, reviews, and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited, free access to the content. As an open access journal, *Processes* is supported by the authors and their institutes through the payment of article processing charges (APCs) for accepted papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Giancarlo Cravotto

Department of Drug Science and Technology, University of Turin, Via P. Giuria 9, 10125 Turin, Italy
