Technical Aspects of Renewable Energy Sources (RES)

Message from the Guest Editors

In 2021, the conference is organized by the University of Agriculture in Krakow, in cooperation with the AGH University of Science and Technology (Krakow), State Agrarian and Engineering University in Podilya, University of Žilina, International Commission of Agricultural and Biosystems Engineering (CIGR), and Polish Society of Agricultural Engineering. **Keywords**

- Solar energy
- Geothermal energy
- Biomass and biomass fuels
- Combustion, co-combustion, and CHP in RES systems
- Heat pumps
- Wind energy
- Fuel cell
- Waste and heat
- Modelling, simulation, and optimization of renewable energy systems
- Advanced energy storage technologies
- Politics and economics of renewable energy sources

About the Journal

Message from the Editor-in-Chief

You are invited to contribute either a research article or a comprehensive review for consideration and publication in *Processes* (ISSN 2227-9717). *Processes* is published in open access format – research articles, reviews, and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited, free access to the content. As an open access journal, *Processes* is supported by the authors and their institutes through the payment of article processing charges (APCs) for accepted papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Giancarlo Cravotto

Department of Drug Science and Technology, University of Turin, Via P. Giuria 9, 10125 Turin, Italy
