Biotechnology for Sustainability and Social Well-Being—II

Message from the Guest Editors

The first Special Issue on “[Biotechnology for Sustainability and Social Well-Being](#)” was published as part of the second AFOBMCIS 2019 Special Issue. To share the recent technologies and findings in biotechnology, the AFOB Malaysia Chapter (AFOB-MC) organized the Fourth AFOB Malaysia Chapter International Symposium 2022 ([AFOBMCIS 2022](#)). All of the authors of the accepted contributions at AFOBMCIS related to bioprocessing are invited to submit manuscripts to *Processes* under this Special Issue.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute either a research article or a comprehensive review for consideration and publication in *Processes* (ISSN 2227-9717). *Processes* is published in open access format – research articles, reviews, and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited, free access to the content. As an open access journal, *Processes* is supported by the authors and their institutes through the payment of article processing charges (APCs) for accepted papers. We would be pleased to welcome you as one of our authors.
