

## Special Issue

# Composting in the Framework of Circular Economy

### Message from the Guest Editor

This Special Issue “Composting in the Framework of Circular Economy” aims to present the recent advances of composting as a strategy to fulfil the objectives of circular economy. Topics include, but are not limited to:

- Co-composting of different organic wastes, especially process performance and the quality of final compost;
- Composting for the removal of emerging contaminants in organic wastes;
- Decentralized composting: pros and cons, process experiences;
- Environmental impact of composting processes, especially gaseous emissions.
