

Special Issue

Feature Papers in Psych

Message from the Guest Editor

This Special Issue will be a collection of high-quality papers from editorial board members, guest editors, and leading researchers invited by the editorial office and the Editor-in-Chief, which aims to introduce a new insight into science development of psychiatric sciences and psychology. Both original research articles and comprehensive review papers are welcome. All articles published will immediately be made available worldwide under an open-access license. We will be happy to accept the latest results on a range of issues including, but not limited to:

- Cognitive psychology
- Clinical psychology
- Social psychology
- Neuropsychology
- Mental health
- Psychiatric disorders
- Psychotherapy
- Psychometrics

Guest Editor
