Message from the Guest Editors

In particular, the editors encourage the submission of papers that have been co-authored by emerging and early-career researchers working in collaboration with scholars already established in their respective fields of expertise.

We look forward to receiving your contributions.

Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community - disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

Religions is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
