## Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community - disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

*Religions* is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
