Message from the Guest Editor

Dear Colleagues,

Members of the editorial board of RELIGIONS are a varied lot. Their areas of special scholarly interest stretch across the health sciences, the social sciences, and the humanities--as does the journal's interest. A collection of RELIGIONS special topics issues would demonstrate as much, but we will occasionally circulate a single issue that exhibits both the variety and the quality of our editors' work.

Peter Iver Kaufman
Editor-in-Chief
