# Evolving and Flourishing in an Age of Disruption: The Role of Spirituality in Realignment and Transformation

### Message from the Guest Editors

We seek manuscripts that will encourage spiritually informed knowledge, research, and practice frameworks that can create a springboard for ongoing transdisciplinary collaborative knowledge development focused on the role of spirituality in fostering resilience, growth, and transformation to support societies through this age of turmoil and disruption. In this Special Issue, original research articles and reviews are welcome. Research areas may include (but not limited to) the following:

- Transdisciplinary collaborative approaches to health and wellbeing;
- Paradigms and practices for mind, body, spirit synchronicity;
- Indigenous, Africentric, and Eastern wisdoms for flourishing;
- Cultivating relationships and connectedness for practice, pedagogy, and research;
- Incorporating innovative spiritual pedagogical approaches in curriculum;
- Spirituality, global systems, social justice, and social transformation in a changing world.

We look forward to receiving your contributions.

## About the Journal

### Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community – disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

*Religions* is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
