

Special Issue

Spirituality in Healthcare— Multidisciplinary Approach

Message from the Guest Editor

This Special Issue entitled “Spirituality in Healthcare—A Multidisciplinary Approach” invites papers from all members of the healthcare team, working in different healthcare settings, education, or management, and will include the following topics:

- Concepts related to religion and spirituality in healthcare;
- Assessment tools or scales used for precise religious or spiritual diagnosis;
- Role of healthcare team members in providing spiritual care;
- Experiences or projects concerning spiritual care provision;
- Experiences or projects concerning education for spiritual care provision;
- Workplace spirituality;
- Effectiveness of spiritual care or specific interventions;
- Ethical aspects concerning the inclusion of religion and spirituality in healthcare.

About the Journal

Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community – disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

Religions is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
