Special Editors Issue

Message from the Guest Editor

Members of the editorial board of RELIGIONS are a varied lot. Their areas of special scholarly interest stretch across the health sciences, the social sciences, and the humanities--as does the journal's interest. A collection of RELIGIONS special topics issues would demonstrate as much, but we will occasionally circulate a single issue that exhibits both the variety and the quality of our editors' work. About the Journal

Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community – disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

Religions is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
