

remote sensing

Dear colleagues,

We are pleased to announce that *Remote Sensing* will be awarding two Travel Awards to junior scientists. The applications will be assessed by an Evaluation Committee chaired by the Section Editor-in-Chief of *Remote Sensing*, Prof. Gerit de Leeuw.

This award provides financial support for the winners to attend an international conference in the field of *Remote Sensing* to be held in 2022, in order to hold a presentation, present a poster, or both.

2022 TRAVEL AWARDS FOR POSTDOCS AND PHD STUDENTS

Candidate Requirements:

- Postdoctoral fellows or PhD students.
- Plans to attend an international conference in 2022 (oral presentation or poster).

Required Application Documents:

- Information of the conference the applicant is planning to attend and the abstract that will be submitted.
- Curriculum Vitae and list of publications.
- Justification letter describing the focus of the research (max. 800 words).
- Letter of recommendation from the supervisor, research director, or department head, which also confirms the applicant's status as a postdoctoral fellow/ PhD student.

The winners (two awardees) will each be awarded **CHF 800** and a certificate.

Please submit your applications for the *Remote Sensing* 2022 Travel Awards online by **31 January 2022**. Prizes will be awarded at the end of **March 2022** and announced on the *Remote Sensing* website.
