

Special Issue

***Risks* Journal: A Decade of Advancing Knowledge and Shaping the Future**

Message from the Guest Editor

We are delighted to announce the upcoming Special Issue of *Risks* that will commemorate its remarkable journey over the past ten years. *Risks*, an open access publication, was founded in 2013 under the visionary leadership of from the University of Copenhagen (Denmark). Since its inception, the journal has been dedicated to advancing the field of insurance and financial risk management, providing a platform for cutting-edge research and knowledge exchange. This Special Issue aims to reflect on the diverse and innovative research that has shaped the field of insurance and financial risk management over the past ten years. By participating in this Special Issue, you can showcase your work to a broad audience of researchers, practitioners, and policymakers worldwide. We look forward to your valuable contributions and joining us in celebrating a decade of the *Risks* journal.

About the Journal

Message from the Editor-in-Chief

Risks is published in an open access format; research articles, reviews, and other content are released on the internet immediately after acceptance. Specifically, *Risks* welcomes submissions that (a) contribute with insight, outlook, understanding, and overview; (b) show creativity in terms of pedagogical methods and techniques; (c) help the transfer of theoretical and applied research into applications in the public and private domains; and (d) show responsibility for the impact on society. The scientific and the general public have unlimited free access to the content as soon as it is published.

Editor-in-Chief

Prof. Dr. Steven Haberman

Faculty of Actuarial Science and Insurance, Bayes Business School,
City St George's, University of London, 106 Bunhill Row, London EC1Y
8TZ, UK
