

Special Issue

Corporate Governance and Risk Management at Financial Institutions

Message from the Guest Editor

Corporate governance and risk management are intrinsically linked pillars of sustainable financial institutions. As financial markets become more volatile and regulatory environments become more demanding, institutions must adopt robust governance frameworks that support prudent risk-taking, transparency, and long-term resilience.

This Special Issue invites research that explores the intersections between governance structures and risk practices in banks, insurance firms, investment houses, and fintech entities.

Topics of interest include, but not limited to, the following:

- Governance frameworks and their impacts on risk culture;
- Role of the board and executive compensation in risk oversight;
- Risk governance under Basel III/IV and Solvency II;
- Enterprise risk management and internal controls;
- Governance challenges in emerging markets and FinTech;
- Ownership structure, risk appetite, and strategic decision-making;
- Model governance and independent risk functions;
- Regulatory interventions and governance reforms post-crisis;
- ESG and sustainability risk within corporate governance frameworks.

About the Journal

Message from the Editor-in-Chief

Risks is published in an open access format; research articles, reviews, and other content are released on the internet immediately after acceptance. Specifically, *Risks* welcomes submissions that (a) contribute with insight, outlook, understanding, and overview; (b) show creativity in terms of pedagogical methods and techniques; (c) help the transfer of theoretical and applied research into applications in the public and private domains; and (d) show responsibility for the impact on society. The scientific and the general public have unlimited free access to the content as soon as it is published.

Editor-in-Chief

Prof. Dr. Steven Haberman

Faculty of Actuarial Science and Insurance, Bayes Business School,
City St George's, University of London, 106 Bunhill Row, London EC1Y
