Risks: Feature Papers 2023

Message from the Guest Editor

As Editor-in-Chief of the journal *Risks*, I am pleased to announce the Special Issue “*Risks: Feature Papers 2023*” is now online. *Risks* is an international, peer-reviewed, scholarly, open access journal of research and studies on insurance and financial risk management. In this Special Issue, we aim to publish outstanding contributions in the main fields covered by the journal, which will make a great contribution to the community. We welcome high-quality papers on topics within the scope of the journal. Submitted papers will first be evaluated by the Editors. Please note that all papers will be subjected to thorough and rigorous peer review.

About the Journal

Message from the Editor-in-Chief

Risks is published in an open access format; research articles, reviews, and other content are released on the internet immediately after acceptance. Specifically, *Risks* welcomes submissions that (a) contribute with insight, outlook, understanding, and overview; (b) show creativity in terms of pedagogical methods and techniques; (c) help the transfer of theoretical and applied research into applications in the public and private domains; and (d) show responsibility for the impact on society. The scientific and the general public have unlimited free access to the content as soon as it is published.
