

## Special Issue

# Selected Papers from the 9th Conference in Actuarial Science & Finance on Samos

### Message from the Guest Editor

The Samos Conference, jointly organized with the Katholieke Universiteit Leuven, the Université Catholique de Louvain, the Københavns Universitet, and the New York University, provides a forum for state-of-the-art results in the areas of insurance, finance, and risk management. The meeting is open to people from universities, insurance companies, banks, consulting firms, or regulatory authorities. We welcome all participants to submit their manuscripts presented at the conference to this special issue. All manuscripts will be refereed through the same peer-review process of the journal.

## About the Journal

### Message from the Editor-in-Chief

*Risks* is published in an open access format; research articles, reviews, and other content are released on the internet immediately after acceptance. Specifically, *Risks* welcomes submissions that (a) contribute with insight, outlook, understanding, and overview; (b) show creativity in terms of pedagogical methods and techniques; (c) help the transfer of theoretical and applied research into applications in the public and private domains; and (d) show responsibility for the impact on society. The scientific and the general public have unlimited free access to the content as soon as it is published.
