### Message from the Guest Editors

Dear Colleagues,

The next edition of the National Robotics Conference in Spain, organized by the Spanish Automation Committee (CEA), will take place in Alicante on 13–14 June 2019, continuing the editions previously held in Valladolid in 2018 and in Valencia in 2017.

CEA, through its Robotics Thematic Group (GTRob), promotes these conferences to give visibility and show the activity that takes place in the field of research and technology transfer of robotics.

The papers selected in the conference will be considered for publication in a Special Issue of the journal *Robotics*, entitled "Robotics in Spain 2019"

an Open Access Journal by MDPI
