Selected Papers from the International Conference on Internet of Things and Intelligent Applications (ITIA2020)

Message from the Guest Editors

The International Conference on Internet of Things and Intelligent Applications (ITIA2020) will be held on November 27–29, 2020, in Zhenjiang, China (<http://itia.xintongconference.com/Page>). ITIA2020 will be an excellent international conference for sharing knowledge and results in the theory, methodology, and applications of the Internet of things and artificial intelligence, and their applications in agriculture, education, etc. Authors of selected papers from the conference will be invited to submit extended versions of their original papers and contributions on conference topics (New papers closely related to the conference themes are also welcome).
