Special Issue

State-of-the-Art Sensors Technology in the UK 2013

Message from the Guest Editor

The aim of this special issue is to provide a comprehensive view of the state-of-the-art sensors technology in the UK. Research articles and reviews are solicited which will provide a comprehensive insight into the state-of-the-art in the UK on any aspect of novel sensor development and applications.

About the Journal

Message from the Editor-in-Chief

Sensors is a leading journal devoted to fast publication of the latest achievements of technological developments and scientific research in the huge area of physical, chemical and biochemical sensors, including remote sensing and sensor networks. Both experimental and theoretical papers are published, including all aspects of sensor design, technology, proof of concept and application. Sensors organizes Special Issues devoted to specific sensing areas and applications each year.
